

Module name - Empessario
Module Head- Ranjeeta kumari
Event Name- Pitch please

Tecnoesis 2021 presents before you the much awaited pitching competition "Pitch Please" under the module Empresario. The contest aims to promote innovation driven solutions to solve various challenges. Something as simple and small scale initiative as their summer project or a research endeavor, come up with your ideas and pitch it in front of a panel of experts and judges and let them examine your ability to evaluate the market, customer needs, product usability.

Rules and Regulations:

Each team will be given 5 minutes for presentation and two minutes for queries from the expert panel.

Each team must be present 10 minutes prior to their scheduled timings for presentation.

Each team has to bring their presentations and submit it to the organisers before commencement of the competition.

Each team may bring their own proposed/working model or website in support of their proposal.

Every presentation will be via online mode.

The results announced by the panel members will be the final one.
