

1. Module Name: **Cyberwarp**

2. Module Head Name:

**Anubhav Sachan**

**Arpit Singh**

3. Event Name: **Pixelate 2021**

**4. Event Description:**

“The best thing about a picture is that it never changes, even when the people in it do.”

— Andy Warhol

That’s the beauty of Photography. Once an image gets captured, it stays forever. People get changed and time flies away. But that photograph once taken will make us remember the moments that we once lived.

Pixelate 2021, under Tecnoesis: Imagining the post-pandemic world, is the most interesting, exciting and the largest photography contest in the north eastern part of the country. It is organised in association with Obiettivo, Photography Club, National Institute of Technology Silchar.

Pixelate’21 is aimed at bringing enthusiastic and professional photographers of the country, on a common platform to showcase their best clicks. Pixelate has three themes under which entries to this grand competition are invited. This year, the themes are: Post-Pandemic World, Portrait, and Food. The winners are awarded with cash-prizes and goodies, and all the entries are featured on the Official Facebook page of Obiettivo, Photography Club, NIT Silchar.

So grab your cameras, gather up your lenses, and participate in this enthralling contest with full zeal and enthusiasm!

## **5. Rules & Regulations of the event:**

- The event is open to all with a limit of the maximum of 2 entries per theme per person.
- The subject line should be clearly mentioned as Theme\_College Name\_Participant Name.
- The message text should clearly have Theme, Caption, College Name, Participant Name & Contact Number.
- Mail your entries at pixelatenits@gmail.com by 11:30pm, April 27, 2021.
- The photograph should be accompanied by a suitable caption within the limit of 50 words.
- The image should be in jpeg/jpg format.
- Maximum size allowed is 20MB.
- The copyright of all the images submitted to the competition will remain with the owner who will be credited. But, each entrant grants the organizer a license to use their images in relation to the Competition (Pixelate'21).
- There shouldn't be any watermark or copyright sign on the image and the image must be a genuine work of the participant.
- Post-processing/Editing is allowed. It includes minor adjustments, color correction, contrast, cropping etc. to bring out the originality of the picture.
