

Module Name: Smart City

Module Head name: Smriti Dwivedi

Event Name: My City My Dream

Event Description: Tecnoesis 2021 presents before you the much-awaited event “My City My Dream” under the module SMART CITY.

Smart Cities focus on their most pressing needs and on the greatest opportunities to improve lives. They tap a range of approaches - digital and information technologies, urban planning best practices, public-private partnerships, and policy change - to make a difference. They always put people first.

The objective is to promote cities that provide core infrastructure and give a decent quality of life to its citizens “keeping in view of the Post Pandemic World”, a clean and sustainable environment and application of 'Smart' Solutions. The focus is on sustainable and inclusive development and the idea is to look at compact areas, create a replicable model which will act like a lighthouse to other aspiring cities.

Rules and Regulations:

Registered teams are supposed to present a PPT about their prospective plan/idea which will be live streamed (in not more than 20 slides & not exceeding 12 minutes).

The PPT should highlight the following points:

- 1| Smart City Strategy (including core infrastructure elements)
- 2| Coverage and Duration
- 3| Financing of Smart Cities
- 4| Challenges & Solutions

Guidelines:

- You can participate either solo or in a team of 2-3 members.
